Hotels and Hostels in Hamburg

You can of course always use sites like booking.com to find yourself a hotel. Here are just a few places we collected, most of which are very close to university.

How to get to Hamburg University? The conference will take place at Von-Melle- Park and Edmund-Siemers Allee, so those are the addresses you might want to look for when checking how to get from the hotel you chose to the university campus. Public transport will take you to stations like Dammtor Bahnhof, Hallerstrasse, Universität/Staatsbibliothek or Grindelhof, which are all very close to campus.
